7th .- Proof of superiority over the old kind of Sportacles: They are used exclusively at all the hospitals for diseases of the eye in in, Prossia, and elsowhere, SPRINC COODS! Testimony of Becommendations From Medical Gentlemen.

From Medical Gentlemen,
Professors of the highest Optimise talent in
Memphis, Tenn., and in the Felton:

Mexicular, Tenn., Feltonary 14, 187.

I do nost willingly bear my testimony in his
yor of the superiority of the Australian Crysial
Spectacles over all other Rinds. They are constructed upon the best established And understructed upon the person to the formation of
the human eye in its different conditions of
vision is so person as to render sight easy without effort. In my opinion none others about the other to great all and by having a focus at
any point of the surface. They appear to restore
the eyes to their youthful energy. I can the
more confidently recommend in humanisms
to the point, from an acquisitative with many
of those from whom he comes recommended to
us.

MEMPHIS, TENN., February IX, 180 I have found a great deal of pleasure in a amining the exquisite fabrics of br. Him HARDT, in the way of Eye-timese. The try latused by him is of wonderful purity, and it style of his Glasses as Glassified as to suit eve tal used by him is of wonderful purity, and the style of his Glames and oftwendied as to suit every conceivable case of need. He has existed for me a pair of Glames, which promise to give me great aid and comfort in my future reasining. I am among the many persons who testify to his capacity as an Oculiar and Opticion and is the value of his services rendered to them, severa prominent Chergymen, and Sustamen with whom I am sequantied.
